Barnes & Noble from Peoria, IL will be presenting new & upcoming books. They will share several books. They will also have books to purchase afterwards!!! We will also be able to sign up for your Teacher's Discount!

We need your help! Since this is "Live and Learn and Past It On", we would like you to bring your terrific teaching tip or tips with you. We will then collect them and put these fantastic ideas in a book for members. We will also be giving this book to preservice teachers from Bradley and Illinois Central College that attend the Make-It, Take-It at Bradley on Thursday, September 23. This is Illinois Valley's way of living it, learning it, and passing it on!
