

Prairie Area Reading Council

GROWTH THROUGH LITERACY

Special points of interest:

- Registration for January 17th Meeting with Roberta Sejnost

January 3, 2008

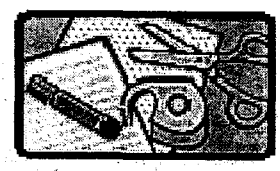

Registration Enclosed

Hello Members,
 In this newsletter is the registration form for the January 17th meeting with Roberta Sejnost on Brain Compatible Strategies. Please fill it out and return it as soon as possible. We will be catering the event from Clara's Pasta.

Community Service Project

PARC will be collecting for the Family Shelter Service at this meeting in January. Please remember to bring helpful school supplies such as: markers, pens and pencils, rulers, folders, glue sticks, back-

packs, and writing journals.

Thank you for your generosity.

Consider Becoming A Board Member

We are still in need of volunteers to serve as Board members of PARC. It is a very worthwhile cause and you get to be involved in making decisions about

programs and events. If you have any questions, please email

Kelly Neylon
 (neylonk@woodridge68.org) or Adrienne Murphy
 (aamurphy@earthlink.net). We'd be happy to explain what is involved in being a board mem-

ber. We need a treasurer and a Vice President. There is always the option of working with someone! It is a lot easier if you are working together. Please thoughtfully consider volunteering!

Thank you!

Prairie Area Reading Council Presents

**Brain Compatible Strategies
for the Content Area Classroom
With Roberta Senjost**

Students in our classrooms today require alternative instructional strategies that focus on stimulating more pathways, or connections, in the brain so that they have easy access to stored and new information. This interactive presentation will focus on creating a brain-compatible classroom environment by utilizing multiple intelligences and brain compatible strategies to foster learning and remembering across content area disciplines.

Roberta Senjost began her career teaching secondary social studies, reading and English. She currently is teaching college-level courses in literacy, authentic assessment, brain-based learning, multiple intelligences, and cooperative learning. She is an active member of the Executive Board of the Illinois Reading Council and a sought-after consultant, staff developer, and presenter.

Registration Deadline: Thursday January 10, 2008

Cost includes Clara's dinner and speaker: Member \$10.00 Non-Member \$12.00

Please make your check payable to: Prairie Area Reading Council

Mail this form & check to:
