December Community Service Event:

Santa Reads

6:30 p.m. Wednesday evening

December 17, 2008

Joliet Public Library Black Road Branch

Here Comes Santa Claus

Did you know that Santa is a member of Will County Reading Council? He is! And he will be reading and talking to children at the library.

Santa Needs Helpers

Come spread cheer and promote reading as one of Santa's helpers.

Several activity stations, including a read-aloud area, will be set up for children and their parents as they await their turn with Santa.

Book Give-Away Sure to be a Big Hit

Will County Reading Council is donating books that Santa will give the children who attend. In addition,

the Lewis University Department of Reading and Literacy is providing International Reading Association parent brochures to give to each family participating.
