

1. Harold used his purple crayon to help him go for a walk in the moonlight. Help Harold find these things in the newspaper:

- |  |   |
|--|---|
| <input type="checkbox"/> a moon                                | <input type="checkbox"/> a boy                          |
| <input type="checkbox"/> something to help him see on his walk | <input type="checkbox"/> a boat                         |
| <input type="checkbox"/> a tree                                | <input type="checkbox"/> something to sleep on          |
| <input type="checkbox"/> an apple                              | <input type="checkbox"/> something round like a balloon |
| <input type="checkbox"/> a color                               | <input type="checkbox"/> something in the city          |
| <input type="checkbox"/> a house                               | <input type="checkbox"/> something in a bedroom         |

Draw a picture of your own using three items from the newspaper.

A large, empty rectangular box with a thin black border, intended for a student to draw a picture based on the instructions above.
