

# Where The **WILD** Things Are

by Maurice Sendak

2. When Max finally got back to his room he found his supper waiting for him and it was still hot. Look for other "hot" things in the newspaper. How many can you find?

The opposite of "hot" is "cold." Set a timer and race to see how many opposites you can find in five minutes. Circle each opposite in the newspaper with a crayon.

Find the opposite of up, in, tall, large, hot, white, thin, night, outside, and small.

## Opposite Hunt

Find a word in the newspaper that means the opposite of each of the following words listed. Paste the new word on the line.

- |                |                  |
