

Where The **WILD** Things Are

by Maurice Sendak

1. Max sailed all around to be king of where the wild things are. Look in the newspaper for stories about other countries. How many news stories tell about other countries? _____

In the story Max sailed across the world but how else could he have gotten there? What other types of transportation could he have used? Look in the newspaper for other examples. Then make up an adventure story of your own. Include the name of a different country in your story and one other type of transportation besides sailing. Tell about who, what, when, where and why your adventure story happened.

Types of transportation listed in the newspaper:

- 1.
- 2.
- 3.
- 4.

Countries from around the world listed in the newspaper:

- 1.
- 2.
- 3.
- 4.
